

Travel Itinerary - Japan Trip (10 Days)

Day 1-3: Tokyo

Arrive at Narita or Haneda airport. Stay in Shinjuku or Shibuya for easy access to transit. Visit Senso-ji Temple, Shibuya Crossing, and Akihabara for electronics and anime culture. Try an izakaya for dinner on at least one night.

Day 4-5: Hakone

Take the Romancecar train from Shinjuku to Hakone. Visit Hakone Open-Air Museum and ride the Hakone Ropeway for views of Mount Fuji on clear days. Stay one night in a traditional ryokan with an onsen hot spring bath.

Day 6-8: Kyoto

Take the Shinkansen bullet train from Odawara or Tokyo to Kyoto. Visit Fushimi Inari Shrine early in the morning to avoid crowds, Kinkaku-ji (Golden Pavilion), and the Arashiyama Bamboo Grove. Kyoto is best explored on foot or by bicycle.

Day 9-10: Osaka

Short train ride from Kyoto. Visit Dotonbori for street food like takoyaki and okonomiyaki, and Osaka Castle. Fly out of Kansai International Airport.

Tip: A 7-day or 14-day Japan Rail Pass can be worth it if traveling between multiple cities, but calculate the cost against individual tickets first since prices have increased in recent years.
